İnsanların sadece beslenme ihtiyaçlarını değil aynı zamanda birlikte olma, rahatlama, sosyalleşme gibi ihtiyaçlarını da karşılayan restoran anlayışımızla, Berat ve Murat şef olarak Anadolu mutfağından başlayarak, 20 senelik turizm deneyimlerimize; dünyayı da gezerek, edindiğimiz tecrübeyle mutfağımızı daha da lezzetlendirdik. Özellikle Anadolu, Yunan ve İtalyan medeniyetlerinin damak zenginliğini birleştirerek, mutfak kültürüne apayrı misyon getirdik. Yeni soluklu lezzet durağımızda; hizmetimizi, uzun senelere yayararak; hizmetimizi, müşteri algısından ziyade misafir anlayışla yapmaktır. Menümüzde bulunan tüm yemeklerimiz standart tarifelerin dışında, her bir müşterimizin arzusu doğrultusunda daha da special hale getirilmektedir.

BİZİM SPECIALİMİZ MÜŞTERİ ARZUMUZ...

BİZİM SPECIALİMİZ HER YEMEĞİMİZ...

With our restaurant understanding that meets not only the nutritional needs of people, but also their needs such as being together, relaxing and socializing, Berat and Murat, starting from Anatolian cuisine as chefs, have 20 years of tourism experience; Traveling around the world, we made our cuisine even more delicious with the experience we gained. We brought a different mission to culinary culture, especially by combining the richness of the palate of Anatolian, Greek and Italian civilizations. At our new taste stop; by spreading our service over many years; is to do our service with a guest understanding rather than customer perception. All of our meals in our menu are made more special in line with the wishes of each of our customers, apart from the standard recipes

OUR SPECIALTY IS OUR CUSTOMER'S DESIRE...

OUR SPECIALTY IS EVERY MEAL...
